

Geometry and PDEs

12-13 October 2018, West University of Timișoara, Romania

This workshop aims to disseminate recent results and to encourage cooperation among scientists working in Differential Geometry, Differential and Partial Differential Equations in a broad sense.

Organizers: Cornelia Vizman (Geometry)

Petru Jebelean and Călin Șerban (PDEs)

Keynote Speakers:

Mirela Babalic

"Horia Hulubei" National Institute for Physics and Nuclear Engineering, Bucharest, Romania

Ștefan Berceanu

"Horia Hulubei" National Institute for Physics and Nuclear Engineering, Bucharest, Romania

Cristian Bereanu

University of Bucharest, Romania

Petre Birtea

West University of Timișoara, Romania

Ioan Bucătaru

"Al. I. Cuza" University, Iași, Romania

Renata Bunoiu

Université de Lorraine, Metz, France

Emanuel Cismaș

Politehnica University of Timișoara, Romania

Gennaro Infante

University of Calabria, Cosenza, Italy

Cătălin Lefter

"Al. I. Cuza" University, Iași, Romania

Gabriela Marinoschi

"Gheorghe Mihoc-Caius Iacob" Institute of Mathematical Statistics and Applied Mathematics, Bucharest, Romania

Zoltan Muzsnay

University of Debrecen, Hungary

Liviu Ornea

University of Bucharest, Romania

Ioan Radu Peter

Technical University of Cluj-Napoca, Romania

Radu Precup

"Babeș-Bolyai" University, Cluj-Napoca, Romania

Denisa Stancu-Dumitru

University Politehnica of Bucharest, Romania
